

Preparation for the ICTP-DESY group hand-on session
(Saturday, 9 August 2014)

To prepare for the hand-on session on Aug 9th, all students participating in the session should set up Minerva package in advance. The students can download the zip file from

https://drive.google.com/file/d/0B6xmSiD_R7N-cFR1U0M4dGZWR2s/edit?usp=sharing

then extract the file, run the program jre-7u65-windows-i586.exe (or jre-7u65-windows-x64.exe for 64bit computer) from folder JAVA to install Java7.

The Minerva package was put in the folder MINERVA, the students should extract the file minerva2014.zip and run file atlantis.jar inside the extracted folder to start the program.
