

Invitation to

**INTERNATIONAL WORKSHOP
ON PHOTONICS AND APPLICATIONS
IWPA-2006
(Cantho, Vietnam. From 15 to 19 August 2006)**

Dear Colleagues,

You are cordially invited to participate in *International Workshop on Photonics and Applications (IWPA-2006)* to be held in Cantho, Vietnam during the period from 15 to 19 August 2006.

The Conference will be focused on, but not compulsorily limited to, the following topics: **Optics; Lasers; Photonics (Modeling and Fabrication of Devices and Materials); Nonlinear Optics; Laser Spectroscopy and Applications...**

The Workshop will include plenary and parallel sessions.

The official language is English.

We cordially inform you that **IWPA-2006** will be a great occasion to contact with the participants of the *IVth - National Conference on Optics, Spectroscopy and Applications* to be held in Cantho, Vietnam during the same period.

We are looking forward to seeing you in Hanoi and Cantho in August 2006.

With my warmest greetings.

Prof. Dr. Nguyen Dai Hung

Meeting co-ordinate.
